

BRYAN COMES OUT AGAINST PARKER

Announces Opposition to His Selection as Temporary Chairman.

MAY BE CHOSEN DESPITE THREAT

Former Candidate Says if Necessary He Will Carry Fight to Floor of Convention, Insisting That Progressive Be Named to Make Key-note Speech.

Baltimore, Md., June 19.—Opposition developed unexpectedly to-night against the naming of Judge Aton B. Parker, of New York, for temporary chairman of the Democratic National Convention. While a majority of the straggle committee that is to select to-morrow the temporary officers of the convention were favorable to the selection of Judge Parker, it became known to-night at informal conferences of the committee members that friends of William J. Bryan had come out against Judge Parker's selection, and that a new choice might have to be made.

The statement was made by those opposed to Judge Parker's selection that he was a conservative, and that as this was a progressive campaign a progressive man should be named by the temporary chairmanship to make the key-note speech.

Late to-night it was definitely learned that a member of the arrangements committee had talked with Colonel Bryan at Chicago over the telephone, and after being made acquainted with the purpose of the committee to name Judge Parker as temporary chairman, Colonel Bryan was quoted by the committee as replying that the Democratic party was four-fifths progressive; that a progressive man should be named for and that if Judge Parker were selected as temporary chairman he would be forced to oppose his selection on the floor of the convention.

May Be Made an Issue.

The news of Mr. Bryan's opposition to Judge Parker, who had been put forward for temporary chairman by the New York delegation leaders, was given quietly to the national committee members, and then the matter was taken up for discussion. Some of the committee members said the plan to select Judge Parker should be carried out, notwithstanding the opposition to him, and if desired to let the selection be made an issue. At a late hour to-night it was said by the members of the national committee that Judge Parker would be named.

There were reports also that Senator Kern, of Indiana, or Ben Shively, also of Indiana, might be selected to make the key-note speech, but these reports could not be traced to authentic sources.

Leaders of the movement to nominate Speaker Champ Clark for President planned to hold a meeting in Washington to-night to go over the situation and determine whether they would present a candidate for temporary chairman of the arrangements committee. The Wilson leaders were also uncertain as to whether they would urge the selection of a temporary chairman known to look with favor upon Governor Wilson for President.

A member of the arrangement committee said that while a majority of the committee was in favor of Judge Parker's selection, it was not certain that he would be named.

Howell for Underwood.

Clark Howell, national committee member from Georgia, reached here to-day and engaged in numerous conferences. Mr. Howell believes that Oscar Underwood is the logical choice of the party for the presidential nomination.

"If Oscar Underwood came from any State North of the Ohio River," said Mr. Howell, "he would be nominated unanimously. The floor leadership of Underwood has done more than anything else to bring the Democratic party together. He is the logical man to name. The time has come when the logical man for the presidential nomination should be selected, no matter what part of the country he comes from. The day of sectionalism has passed."

It was generally reported here to-night that William J. Bryan would be made the chairman of the committee on resolutions. Just what part Mr. Bryan plans to take in the convention with respect to the selection of the standard bearer, and the building of the party platform has not been made known. Mr. Bryan is expected here Sunday.

Lieutenant-Governor Hugh L. Nichol, of Ohio, directing head of the Harmon campaign to-day issued a statement declaring that should Harmon fall to get the nomination the latter would support the choice of the convention. Robert Ewing, national committee member from Louisiana arrived in Baltimore to-day and told his friends that the Democratic platform should include a plank promising protection and extension of the levees along the Mississippi River.

ABSOLUTE DIVORCE FOR MRS. LAMBERT

Also Gets Custody of Children and Alimony Amounting to \$20,000 a Year.

(Special to The Times-Dispatch.)
St. Louis, Mo., June 19.—After holding the case under advisement for twenty-four hours, Judge Allen to-day awarded to Mrs. Marion Lambert, who was Florence Parker, of Richmond, a decree of absolute divorce and the custody of her three children, Florence Parker Lambert, eleven years old; Marion L. J. Lambert, Jr., nine, and Stafford Leckburn Lambert, three years old. The matter of alimony was not decided by the court, but was left to the attorneys, who, after considerable debate, are said by friends of the family to have agreed upon \$20,000 a year.

Samuel Fordyce, counsel for Lambert, and T. M. Pierce, representing Mrs. Lambert, refused to reveal the differences over alimony. Whether Mrs. Lambert demanded a gross sum or a certain amount annually is a matter of conjecture. Judge Allen reserved jurisdiction of the cause to make order for alimony for Mrs. Lambert and provision for the care of the three Lambert children.

The fact that Lambert, along with his three brothers, is popularly rated as a millionaire was accepted as making it certain Mrs. Lambert will be provided for handsomely.

Pierce and Fordyce conferred with Judge Allen in the latter's chambers for forty-five minutes this afternoon, after which they departed through the entrance to the chambers. Judge Allen then walked into his court room and announced Mrs. Lambert was the innocent and injured party and there fore entitled to the decree.

Portsmouth Va., June 19.—Pirates lost the third game of the series to Richmond this afternoon. The score was 5 to 4. Rain shortly before the beginning of the game made it necessary to put sawdust around each of the bases and the home plate and also along the first base line.

The Colts struck their winning streak early in the game. In the first inning Gruff, after drawing two strikes, hit the ball over the left field fence for a home run. In the third inning Griffin did the same thing, but the bases were empty and the two parkers only counted for that many runs.

Four hits in succession in the sixth gave the Colts two other runs, and a single and two errors in the eighth counted their fifth run. The score:
